

*A great fundraising Yearbook for all pupils!*

# School Leavers Yearbooks 2022

**Primary schools are special places with long lasting memories for us all, but can you remember the names and faces of your class mates from that far off time?**

Our Yearbook is an indelible lasting reminder of your friends, your school memories and your own hopes and dreams.

The PrintSave Group is a digital print company. We have produced Yearbooks for many schools during the past 15 years and have received positive spontaneous feedback from schools, pupils and parents alike. We offer a simple bespoke 'user friendly' method that guides you easily through the whole process of producing a high quality Yearbook at a very reasonable cost including PrintSave creating the artwork for you free of charge. Schools and PTA's can use them as either a fundraiser or a memorable gift.

# Fundraising

## WHY NOT INCLUDE SOME SPONSORS WITHIN YOUR YEARBOOK. FULL ASSISTANCE WITH THE COST OF PRODUCTION COULD EASILY RESULT IN 100% PROFIT ON SALES!

Not only will you be raising funds to purchase much needed equipment and supplies for your school or project, but your pupils will be able to look back on their school days fondly through the pages of their yearbook. We have helped hundreds of schools raise money with yearbooks for the last 15 years.

## As part of our service we will:

- Supply your school with an Excel spreadsheet to complete. This form is completed with the children's answers to questions like 'favourite school trip'. When you return the form to us you may also supply any photos you would like included.
- Design the layout, incorporating school colours, logos and photos etc.
- Produce a proof copy which we email you to you for sign off.
- Print and deliver the Yearbooks to your school.

We appreciate that the end of a school year is a busy time for both teachers, parents and pupils alike. Our dedicated service removes all the hard work from the creation of artwork.

Please send an email to [nikki@printsavegroup.com](mailto:nikki@printsavegroup.com) if you would like to receive a **sample yearbook** or discuss any production queries.

# FAQs

**Bespoke  
Yearbooks  
from just  
£8.50  
each**

## ***As a guide how long does it take to produce a Yearbook?***

About 3 weeks from receipt of completed spreadsheet, pictures and final artwork approval,

## ***How do I produce good quality digital pictures?***

Unless you have studio lighting, photos are best taken outdoors on a bright day. Watch out for shadows and the sun in student's eyes causing them to squint. A tripod is a good idea to avoid camera shake. Cameras should be set at the highest resolution possible.

## ***Is there a delivery charge for the Yearbooks?***

There is a fixed charge of £15.00 postage & packaging regardless of how many books you order.

## ***Can I incorporate my own design ideas?***

If you already have a design in mind or if your school would like to be more involved with the design we will be happy to accommodate your requirements.

## ***What content do I need to supply?***

If you would like to produce a standard Yearbook there are only 2 things we need from you:

### ***Children's questions and answers***

To create your unique Yearbook call or email us and we will forward via email an Excel spreadsheet which is used to gather the children's answers. Someone (usually a parent or member of the PTA) completes the answers on the spreadsheet and emails it back to us.

### ***Photos***

If you are not using the official school photos (copyright should be checked with the photographer), digital pictures are taken, copied to computer and renamed to match child's name. These files are then sent to us via We Transfer, full instructions will be supplied.

## ***DEADLINES - When do I need to get the files to you?***

The sooner the better! But please be aware of the following advised approval procedure:

### ***Artwork***

Send us ALL your Yearbook photos & content asap (After the Easter break is good time line to work to). It takes 10 working days to print and deliver the books and approximately 1-2 weeks to create the artwork depending on how much you have. **WE CAN THEN CREATE THE BULK OF YOUR BOOK AND DROP IN ANY LAST MINUTE PHOTOS TOWARDS THE YEAR END.** We will email you a PDF proof to review. We can make changes if required.

### ***PRINT***

Once we receive your approval of a PDF proof via return email we will go to print. **ARTWORK MUST BE APPROVED PRIOR TO PRINTING.**

### ***DELIVERY***

From approved artwork we need 10 working days to print and delivery the books to you. They can be delivered to either your school or the organiser.
